1 Clean ears and wash hands thoroughly.

2 Divide each portion into 3 equal parts.
Knead one part from each color together for 30 seconds until uniform.
Prepare one ear at a time.

3 Roll Sharkfin to form a 2" (5 cm) log.

4^a For Earbuds: loop log around and behind earbud as shown (Pic 4a)
4^b For Earphones: loop log around and above earphone as shown (Pic 4b)

5 In front of a mirror, place into ear by gently pushing to desired position.

6 Knead and smooth out Sharkfin until it encompasses the auricle portion of your ear.

7 Let sit for 5 minutes until hardened/cured and then remove from your ear.

8 Repeat steps 1-7 for other ear.
